

REQUIREMENT FOR PROPOSAL (RFP) #1 Grading and Snow Plowing

Upon direction from the Village of Alix Public Works Supervisor, the Village requires from time to time:

- grading of certain streets and back alleys and the lagoon site as deemed necessary by the Village of Public Works Supervisor.

- snow plowing after an accumulation of snow on certain streets and back alleys as deemed necessary by the Village of Alix Public Works Supervisor.

- the Village requires a per/hour charge to provide the service, which could be needed during the day, evening, or on weekends.

- the per/hour cost is to include fuel, machinery, labour, insurance and any and all other related job costs.
