

REQUIREMENTS FOR PROPOSAL (RFP) #2 Trucking for Snow Removal

Upon direction from the Village of Alix Director of Public Works, the Village requires snow windrows to be removed from certain streets from time to time, as deemed necessary by the Village of Alix Director of Public Works.

This removal requires that the snow be loaded into trucks and transported to a stockpile site.

- the Village requires a per hour charge to provide the service.
- the per hour charge is to include fuel, machinery, labour, insurance and any and all other related job costs.
