CONSENT

I allow the Village of Alix to provide the information included in the VRP (Vulnerable Persons Registry) form to Emergency Responders for use during an emergency. I understand that it is important for me to ensure that the VPR always has accurate and up to date information and will advise of any changes

I understand that I still NEED TO CALL 911 in an emergency, and I am also responsible for having an emergency plan in place in order to be prepared to remain safe for at least 3 days.

I recognize that the VPR does not guarantee my safety but is an added safeguard where local emergency service groups will make every effort to increase the possibility of my safety during emergencies.
