Why are you interested in running in the Municipal Election?

I am interested in running for Alix Council because I believe it is important to give back to the town live in.

What specific skills do you have that can contribute to municipal decisions?

My background as the owner of a 20-year successful business i.e.: Flame On Fireplaces has taught me financial responsibility, service and transparency which is important in town management.

Any experience you bring with you, if you're elected?

I have been the chairman of the board for Christ Corridor Church in Red Deer from 2016-2018 and served as a board member for the HPBAC of Canada from 2000-2004 (Cherity & BBQ Association of Canada).

My political leaning are conservative in nature, emphasising personal freedoms, small government and fiscal responsibility.
