Cathy Perry

September 22, 2025

I've lived in Alix for over 30 years. Brant and I came to Alix to camp at Alix Lake. We found the Village not only lovely but the people friendly.

I've sat on the museum board helping to rebuild the board. I've helped the Community Hall by sitting as secretary of the Trail Society (ANTS) and as chair of the Alix Library Board.

I am retired from owner operator of Perry Express, a transportation company along side my husband Brant.

I sat as Village Councillor for two terms pre-covid. Which I'm very proud of doing so.
