Section 1: Introduction

1.1 Our Commitment

Alberta Municipal Affairs is committed to assisting municipalities in providing well-managed, accountable local government to Albertans. To achieve this, Municipal Affairs plays an important role in assisting and supporting municipalities in Alberta through various programs to foster capacity building, transparency, and accountability, which are essential elements for responsible local government.

The *Municipal Government Act (MGA)*, which provides the legislative framework for local government in Alberta, has numerous mandatory requirements that may at times seem overwhelming and difficult to manage for municipalities. Municipalities are also bound by other statutes and corresponding regulations that fall under the purview of Municipal Affairs. Compliance with these statutes and regulations is essential to good governance, the successful operation of a municipality, and the viability, safety, and well-being of a community. The Municipal Accountability Program is designed to help municipal officials successfully meet the challenges involved in responding to this wide range of legislative needs.

1.2 The Municipal Accountability Program

With a focus on continuing to strengthen municipal accountability and transparency, the purpose of this program is to:

- enhance their knowledge of mandatory legislative requirements with a primary focus on the *MGA*;
- assist municipalities in achieving legislative compliance;
- support municipalities in being well-managed, accountable, and transparent; and
- provide a collaborative partnership between Municipal Affairs and municipalities to address legislative discrepancies that may exist.

The Municipal Accountability Program consists of multi-year review cycles ordered by the Minister under the authority of Section 571 of the *MGA*. Municipalities with populations of 2,500 or less are automatically scheduled for a review once every five years. The Village of Alix was selected for a municipal accountability program review in the 2025-2026 program year.

Working with the chief administrative officer (CAO), support is provided to mitigate any minor legislative gaps that may be identified. Ministry staff work with CAOs to validate compliance, identify gaps, provide resource information, and develop corrective solutions where needed. The outcome of this program will be strong, well-managed, accountable municipalities, and a strong collaborative relationship between the CAOs and the ministry.

The results of the Village of Alix review, contained in this report, are offered to support the municipality's efforts in achieving its goals for ongoing legislative compliance with the *MGA* and its associated regulations, as well as other legislation under the responsibility of Municipal Affairs.

Section 2: Executive Summary

2.1 Methodology

The Municipal Accountability Program consists of a review of council meeting minutes, municipal bylaws, and other municipal documents. A site visit or electronic interview with village administration is also included. These components assist in determining areas where the municipality is compliant with legislative requirements, and to identify any areas that require improvement to achieve compliance with the many requirements of the *MGA* and other legislation imposed on municipalities.

Municipal Affairs staff met with village administration on September 5, 2025, by electronic means. This format was used to complete the Municipal Accountability Program review, and to examine compliance with mandatory requirements of the *MGA* and other legislation under the purview of Municipal Affairs.

The Village of Alix is commended for their cooperation and assistance throughout the review. As well as the time commitment required, municipal staff promptly responded to questions and provided documentation as requested. Ministry staff appreciate this additional time and effort and recognize the commitment to the well-being and success of the municipality demonstrated by village administration.

2.2 Legislative Compliance and Gaps

The findings of this review are highly encouraging and reflect the municipality's strong commitment to good governance, accountability, and compliance with the legislative framework established under the *MGA*. The results demonstrate that the municipality is not only meeting its mandatory obligations but is also fostering a culture of diligence and responsibility in its operations.

For a detailed list of the areas in which the municipality was found to be legislatively compliant, or discretionary areas not implemented by the municipality, please refer to Appendix A at the end of this report.

Specific areas where the municipality is required to take action to achieve compliance are included below:

- designate a place for the municipal office, establish or change place of regular meetings;
- procedural bylaw is compliant with the *MGA*;
- adopt an operating budget;
- prepare a three-year operating plan and a five-year capital plan;
- establish a local and a composite assessment review board by bylaw; and
- prepare a tax arrears list.

Pages which detail the legislative requirements and the gaps to be addressed begin on [page 8](#).

2.3 Next Steps

This report contains a complete summary of the Municipal Accountability Program review including legislative requirements, comments and observations, recommendations for actions, as well as links to resources to assist the municipality.

A response by the municipality is required that includes a plan detailing the actions to be taken to rectify the legislative gaps identified in this report. This response must be submitted to Municipal Affairs within eight weeks of receiving this report. For your municipality's convenience, this report has been formatted to provide space in each Section for responses to the findings on each particular area of non-compliance; however, your municipality is not required to use this report to provide its responses and may prefer instead to develop a customized document for the responses and implementation plan.

Ministry staff are available to provide support and additional resources to guide the municipality through the development of the plan and to successfully address the legislative gaps identified. The review will formally conclude upon receipt of documentation confirming that all items have been addressed.

Section 3: Municipal Accountability Program Findings

3.1.1. Municipal Office and Establish or Change Regular Meetings

Legislative requirements: *MGA 193, 204*

1. Has council decided to hold regularly scheduled council meetings at specified dates, times, and places?
 - a. Were all the councillors present at the meeting where this resolution was passed?
2. Has the date, time, or place of a regularly scheduled meeting been changed?
3. Was at least 24 hours' notice of the change provided to any councillors not present at the meeting at which the change was made, and to the public?
4. Is there a resolution or bylaw naming a place as the municipal office?

Comments/Observations: All councillors of the Village of Alix were present at the organizational meeting on October 2, 2024, to adopt resolution #195/24 to set the date and time of council meetings; however, the resolution did not include the location of regular council meetings. This is contrary to Section 193(1) of the *MGA*, which specifies that council may decide to hold regular council meetings at specified dates, times, and places.

Council has adopted a resolution naming a place as the municipal office.

Meets Legislative Requirements: No

Recommendations/Action Items: The municipality must, by resolution, establish the date, time, and location of regular council meetings to meet legislative requirements.

Resources: Municipal Affairs advisors are available to provide general support by calling toll-free 310-0000 and then 780-427-2225.

While bylaw 487/25, passed on March 19, 2025, contains appropriate provisions for conducting public hearings by electronic means, section 32 of the procedural bylaw also has provisions for electronic attendance at council meetings. The procedural bylaw does not specify the type or types of electronic means by which meetings are authorized to be held, how the identity of each councillor attending the meeting will be confirmed or provide a method by which members of the public may access meetings and make submissions as required by Section 199(3) of the *MGA*.

While not a contravention of the *MGA*, it is noted for information that Section 4.1 of the bylaw states the organizational meeting is to be held no later than two weeks after the third Monday in October. Section 192 of the *MGA* has been updated to read “14 days” instead of “two weeks”.

Meets Legislative Requirements: No

Recommendations/Action Items: Should the municipality want to continue the practice of electronic attendance of council meetings, the procedural bylaw or the public hearings by electronic means bylaw must be amended or repealed and replaced to ensure attendance by electronic means meets the requirements in section 199 of the *MGA*.

Resources: Municipal Affairs advisors are available to provide general support by calling toll-free 310-0000 and then 780-427-2225.

Municipal Response: Response to the findings, or comments, status, or action to be taken including key milestones and deadlines. Where resolutions of council are required please provide the date of approval and resolutions of council and/or bylaw numbers.
